- **Easier:** No more fumbling with clips or pouches
- **Faster:** Takes less than one second to snap off or on
- **Safer:** Keep your eyes on the job. You hear it click in place
- **Secure:** Recessed mounting helps prevent accidental removal
- **Quality :** Made of durable polycarbonate
- **Convenient :** Powerful clips fit large belts

Magneto tape holders take the fuss out of clipping or pouching a tape measure to your belt with each use. Simply clip the **Magneto** tape holder to your belt then press the tape against the magnetised holder. Presto! The tape is securely held in place, magnetically. Just snap off to remove the tape.
